Section 2. Voting. The Association shall have two classes of voting membership:

Class A. Class A members shall be all Parcel Owners, with the exception of the Developer, and shall be entitled to one vote for each Parcel owned. When more than one person holds an interest in any Parcel, all such persons shall be members. The vote for such Parcel shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Parcel.

Class B. The Class B members shall be the Developer and shall be entitled to two hundred (200) votes. The Class B membership shall cease on the happening of one of the following earlier:

(b) such other percentage of the Parcels have been conveyed to members, or such other date or event has occurred, as set forth in the governing documents in order to comply with the requirements of any governmentally chartered entity with regard to the mortgage financing of Parcels;

(c) Such earlier date as Developer may determine.

ARTICLE V

COVENANT FOR ASSESSMENTS

Note: With respect to the lien rights and liabilities hereinafter provided, such rights and liabilities shall encompass not only a particular Parcel, but shall also encompass any additional real property rights which may have been granted to a Parcel Owner in accordance with Section 2 of Article III of this Declaration of Covenants.

Section 1. Payment of Assessments. The Developer hereby covenants, creates and establishes, and each Parcel Owner of a Parcel, by acceptance of a deed or instrument of conveyance for the acquisition of title in any manner, shall hereafter be deemed to have covenanted and agreed to pay to the Association the following dues, fees, charges and assessments, subject to the provisions of Section 3 of this Article V:

(a) Any annual assessment or charge for the purpose of operating the Association and accomplishing any and all of its purposes.

(b) Any special assessments for emergencies, or non-recurring expenses; such assessments shall be in equal amounts against the Parcel Owners of each Parcel.

(c) Charges incurred in connection with the enforcement of any of the terms and conditions hereof, including reasonable attorney fees and costs reasonable.

(d) Fees or charges that may be established for such purpose deemed appropriate by the Board of Directors of the Association.

(e) Assessments of any kind for the creation of reasonable reserves for any of the aforesaid purposes. Such assessments shall be in equal amounts against the Parcel Owners of each Parcel.

(f) The assessments under (a), (b) and (c) above shall be in equal amounts to all Parcel Owners, subject to the provisions of Section 3. of this Article V. Such equal amount shall be determined by dividing the assessment by a fraction, the numerator of which is one (1) and the denominator of which is the number of Parcels in the Community submitted to this Declaration at the time the assessment was enacted.

Section 2. Creation of the Lien and Liability of Parcel Owner. The Developer, for each Parcel owned within the Community hereby covenants, and each Parcel Owner of any Parcel by acceptance of a deed or instrument of conveyance for the acquisition of title to a Parcel, whether or not it shall be so expressed in such deed or instrument, is deemed to covenant and agree that the annual and special assessments, or other charges and fees set forth in Section 1 hereof, together with interest, late fees, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Parcel against which each such assessment is made. The lien is effective from and after recording a Claim of Lien in the Public Records, stating the description of the Parcel, name of the Parcel Owner, amount due and the due dates. Each such assessment, together with interest, late fees, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Parcel Owner of such property at the time when the assessment fell due, as well as his heirs, legal representatives, successors and assigns.

Section 3. Commencement of First Assessment. Assessments provided herein shall first commence as to each Parcel on the day of the conveyance of title of each Parcel to a purchaser thereof (unless otherwise specifically set forth by Developer in such conveyance to the contrary). The annual assessments in effect at that time shall be adjusted according to the number of months remaining in the calendar year after such date.

Section 4. Establishment of Assessments. The Board of Directors of the Association shall approve and establish all sums which shall be payable by the members of the Association in accordance with the following procedures:

(a) The Board of Directors shall prepare an annual operating budget, reflecting the estimated revenues and expenses for that year and the estimated surplus or deficit as of the end of the current year. The budget must set out separately all fees or charges for recreational amenities, whether owned by the Association, Developer or another person. The Board of Directors shall provide written notice of the amount and date of commencement thereof to each Owner not less than thirty (30) days in advance of the initial due date thereof. Annual assessments shall be payable at such time or times as the Board of Directors shall direct, which shall be monthly unless otherwise specifically set forth. Assessments may include an amount for reserves so as to enable the Association to establish and maintain an adequate reserve fund for periodic maintenance, repair and replacement of improvements to the Common Areas.

(b) Annual assessments against the Parcel Owners of all of the Parcels shall be established after the adoption of an operating budget, and written notice of the amount and date of commencement thereof shall be given to each Parcel Owner not less than thirty (30) days in advance of the date thereof. Annual assessments shall be payable at such time or times as the Board of Directors shall direct which shall be monthly until otherwise directed.

(c) Special Assessments against the Parcel Owners and all other fees, dues and charges, including assessments for the creation of reasonable reserves, may be established by the Board of Directors at any regular or special meeting thereof, and shall be payable at such time or times as the Board of Directors shall direct.

(d) The Board of Directors may, from time to time, establish by a resolution, rule or regulation, specific fees, dues or charges to be paid by Parcel Owners of Parcels for any special or personal use of facilities, or to reimburse the Association for the expenses incurred in connection with the enforcement of any of the terms of this Declaration. Such sums shall be payable by the affected member at such time or times as shall be established by the resolution, rule or regulation.

(e) The Association shall prepare a roster of the Parcels and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Parcel Owner. The Association shall, upon request, furnish any Parcel Owner a certificate in writing signed by an officer of the Association, setting forth whether his assessment has been paid and/or the amount which is due as of any date. As to parties without knowledge of error, who rely thereon, such certificates shall be conclusive evidence of payment or partial payment of any assessment therein stated having been paid or partially paid.

(f) Developer may establish a Working Capital Fund for the initial months of operation of the Association, which shall be collected from each Parcel purchaser at the time of conveyance of each Parcel to such purchaser in an amount equal to two months of the annual assessment for each Parcel. Each Parcel's share of the Working Capital Fund shall be collected and transferred to the Association at the time of closing of the sale of each Parcel. The purpose of this fund is to assure that the Association's Board of Directors will have cash available to meet any legitimate Association expense, or to acquire additional equipment or services deemed necessary or desirable by the Board of Directors. Amounts paid into the fund at closing are not to be considered advance payment of any assessments under this Article V, and are not refundable or transferable. In the event that during the startup of the Association, the Association does not have adequate working capital to meet its expenses, the Developer may, but is not obligated, to advance funds on behalf of the Association, and if such advances are made by the Developer then they shall be reimbursed to the Developer by the Association from such Working Capital Fund.

Section 5. Effect of Nonpayment of Assessments; Remedies of the Association. If any assessment is not paid within thirty (30) days after the due date a late fee of \$25.00, beginning from the due date, may be levied by the Board of Directors for each month the assessment is unpaid. The Association may at any time thereafter bring an action at law against the Parcel Owner personally obligated to pay the same, and/or foreclose the lien against the property. The Association shall not be required to bring such an action if it believes that the best interests of the Association would not be served by doing so. There shall be added to the assessment all costs and expenses, including attorneys' fees, required to collect same. No Parcel Owner may waive or otherwise escape liability for the assessments provided for herein by abandonment of such Parcel.

Section 6. Subordination of the Lien to Mortgages. As hereinabove provided in Section 2, the lien of the Association for assessments and other charges of the Association becomes effective from and after recording of a Claim of Lien in the Public Records. This lien of the Association shall be subordinate to a first mortgage on any Parcel or to a mortgage by an Institutional Mortgagee on any Parcel, which mortgage is recorded in the Public Records prior to any said Claim of Lien against the same Parcel being recorded in the Public Records. A lien for assessments shall not be affected by any sale or transfer of a Parcel; provided, however, that in the event of a sale or transfer pursuant to a foreclosure of a first mortgage, a foreclosure of a mortgage held by an Institutional Mortgagee, or a deed in lieu of foreclosure of a first mortgage or of a mortgage held by an Institutional Mortgagee, the acquirer of title, his successors and assigns, shall not be liable for assessments pertaining to the Parcel or chargeable to the former Parcel Owner of the Parcel which became due prior to such sale or transfer. However, any such unpaid assessments for which such acquirer of title is not liable, may be reallocated and assessed to all Parcels (including such acquirer of title) as an Association expense. Any such sale or transfer pursuant to a foreclosure or deed in lieu of foreclosure shall not relieve the Purchaser or Transferee of a Parcel from liability for, nor the Parcel from the lien of, any assessments made thereafter. Nothing herein contained shall be construed as releasing the party liable for any delinquent assessments from the payment thereof, or the enforcement of collection by means other than foreclosure.

Section 7. Assessments During Class B Membership. Notwithstanding anything to the contrary contained in this Article V, until such time as the Developer's Class B Membership in the Association terminates in accordance with the provisions of Article IV hereof, and at Developer's option, for the period of time of Developer's Class B membership, unless terminated earlier at Developer's sole discretion, Developer may be excused from payment of its share of assessments related to its Parcels, and in such event, Developer shall be responsible to pay any operating expenses incurred that exceed the assessments receivable from other Parcel Owners and other income of the Association.

ARTICLE VI

MAINTENANCE OBLIGATION OF ASSOCIATION

Section 1. Landscaping. The Association shall maintain all landscaping, vegetation grass, plants, trees, and the like, for the Common Area defined in Article III hereof. Further, the Association shall maintain any common area property which the Association shall have transferred to it or dedicated to it subsequent to the execution and recording of the Declaration.

Section 2. Roadway. The Association shall maintain and repair the private roadways serving the Parcels as shown on the Plat.

Section 3. Right of Entry by Association. Whenever it is necessary to enter a Parcel for the purpose of performance of any maintenance duties by the Association, the Parcel Owner thereof shall permit an authorized agent of the Association to go upon the Parcel, provided that such entry shall be made only at reasonable times. In the case of emergency such as, but not limited to, fire or hurricane, entry may be made at any time. Each Owner does hereby appoint the Association as its agent for the purposes herein provided and agrees that the Association shall not be liable for any alleged property damage, theft or other claim caused or occurring on account of any entry.

Section 5. Miscellaneous. The Association shall be responsible for the general maintenance of the recreation area, any and all required maintenance of the lakes within the property described on Exhibit "A", as well as perimeter walls, fences and landscape areas, and all mitigation areas therein, and any common area property subsequently dedicated or transferred to the Association, the general maintenance and operation of the guard house, and payment for the operation and monthly electricity charges for all street lights, if any, and maintenance responsibilities otherwise referenced herein.

Section 6. Others. The Association may, as determined from time to time by the Board of Directors, maintain vegetation, landscaping and/or sprinkler system upon areas which are not within the Community but are near the same and are owned by a utility or governmental authority, so as to enhance the appearance of the Community, such as swale areas or median areas within the right of way of abutting public streets, roads and areas within drainage canal rights of ways or other abutting waterways and gate houses and electronic gates.

ARTICLE VII

MAINTENANCE OBLIGATION OF PARCEL OWNERS

Section 1. Parcel Owner Responsibility. Each Parcel Owner shall be responsible for the repair, maintenance and/or replacement of all portions of the residential dwelling and other improvements of the Parcel except for the maintenance duties of the Association as hereinabove provided. Accordingly, each Parcel Owner shall maintain at Parcel Owner's expense the interior of the dwelling, including but not limited to, all doors (except the exterior surface thereof), windows, glass, screens, electric panels, electric wiring, electric outlets and fixtures, heaters, hot water heaters, refrigerators, dishwashers and other appliances, drains, plumbing fixtures and connections and all air conditioning equipment. Further, each owner shall maintain at his expense all structural, electrical, mechanical and plumbing elements thereof. Any Parcel Owner is strictly prohibited from performing any maintenance duties of the Association without prior consent from the Board of Director and Architectural Committee, including the painting and cleaning of the exterior surfaces of the walls (except for windows and screens), roof or fence located on a Parcel and is prohibited, without such consent, from planting any additional landscaping.

Section 2. Parcel Owner Liability. Should any Parcel Owner do any of the following:

- (a) Fail to perform the responsibilities as set forth in Section 1 of this ARTICLE VII; or,
- (b) Cause any damage to any improvement which the Association has the responsibility to maintain, repair and/or replace; or,
- (c) Undertake unauthorized improvements or modifications to Parcel Owner's dwelling or to any other portion of Parcel Owner's Parcel or to the Common Area, as set forth herein.

The Association, after approval of a majority vote of the Board of Directors and upon ten days' prior written notice to the Parcel Owner, shall have the right, through its agents and employees, to enter upon said Parcel and remove unauthorized improvements or modifications. The cost thereof, plus reasonable overhead costs to the Association, shall be added to and become a part of the assessment to which the Parcel is subject.

ARTICLE VIII

EASEMENT FOR ENCROACHMENTS

In the event that any dwelling or other improvement upon a Parcel, as originally constructed by Developer, shall encroach upon any other Parcel or Common Area, then an easement appurtenant to such shall exist for so long as such encroachment shall naturally exist.

ARTICLE IX

For so long as the Developer owns any property affected by this Declaration the Developer shall have the right to transact any business necessary to consummate sales of any said property or other properties owned by Developer, including but not limited to, the right to maintain model dwellings, have signs and flags on any portion of the Properties, employees in the offices, and show dwellings. Sales Office signs and all items pertaining to sales shall remain the property of the Developer.

Section 2. Developer Exempt. Section 5. Right to Alter. Developer reserves the right to alter the boundaries of all Parcels so long as Developer owns the Parcels so altered. Said alteration may be accomplished by Developer as permitted by applicable governmental authorities.

Section 6. Indemnification. The Association covenants and agrees that it will indemnify, defend and hold harmless Developer, and any related partners, corporations, or other entities, parent corporations and their employees from and against any and all claims, suits, actions, causes of action and/or damages arising from any personal injury, loss of life and/or damage to property sustained on or about Community property or other property serving the Association, or resulting from or arising out of the operation of the Association and improvements thereof and thereon, or resulting from or arising out of activities or operation of the Association, and from and against all costs, expenses, counsel fees (including, but not limited to, all trial and appellate levels and whether or not suit be instituted), expenses and liabilities incurred by Developer arising from any such claim, the investigation thereof, or the defense of any action or proceedings brought thereon, and from and against any orders, judgments and/or decrees which may be entered thereon. ARTICLE X

ASSIGNMENT OF POWERS

All or any part of the rights and powers and reservations of the Developer herein contained may be deeded, conveyed, or assigned to other persons or entities by an instrument in writing duly executed, acknowledged and recorded in the Public Records.

ARTICLE XI

GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce

any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any such suit the prevailing party shall also be entitled to recovery of all costs and expenses including court costs and attorneys' fees.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended at any time and from time to time upon approval of Owners who are entitled to vote a majority of all votes of the Association and the execution and recordation of an instrument containing a certification by the President and Secretary of the Association that the amendment is duly adopted, PROVIDED that for the period of time Developer owns one (1) or more Parcels, the Developer's written consent must first be obtained; and FURTHER PROVIDED, that for so long as Class B membership in the Association exists, the Declaration may be amended by the execution and recordation of an instrument executed solely by a majority of the Board of Directors. Notwithstanding any of the above, for such time that Developer owns one or more Parcels, Developer's written consent must first be obtained to any amendment. The Developer shall have the right at any time within five (5) years from the date hereof to amend this Declaration to correct scrivener's errors or to clarify any ambiguities determined to exist herein. No amendment shall alter the subordination provisions of this Declaration without the prior approval of any mortgagee enjoying such protection. It is further provided that in order to be effective any amendment to this Declaration must be recorded in the Public Records of Palm Beach County, Florida.

Notwithstanding anything contained herein to the contrary, the prior written approval of the South Florida Water Management District is required for any amendments to this Declaration that could affect the surface water management system.

Section 4. Notices. Any notice required to be sent to any Owner under the provisions of this Declaration shall be deemed to have been properly sent when mailed, postpaid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing.

Section 5. Leasing of Parcels. In the event a Parcel Owner leases said Parcel Owner's Parcel, such lease shall contain a covenant that the Lessee acknowledges that the Parcel is subject to this Declaration of Covenants and is familiar with the provisions hereof, including the uses and restrictions contained herein, and agrees to abide by all such provisions. In the event a lease of a Parcel does not contain language to the effect of the foregoing, then the Association may declare the lease void and take such further action as the Association deems applicable, including a "removal action" against the tenant and the Parcel Owner. All costs and expenses of the foregoing shall be the cost and expense of such Parcel Owner. The Parcel Owner shall be liable and fully responsible for all acts of Parcel Owner's Lessee and responsible for the compliance of the Lessee of all provisions of this Declaration. Further, in no event shall a Parcel be leased more than one (1) time in one (1) calendar year and in no event shall any such lease have a term of less than six (6) months.

Section 6. Permits, Licenses and Easements. The Association shall have the right to grant permits, licenses and easements over, upon, across, under and through the Common Areas for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance and operation of the Community, as so determined by the Board of Directors of the Association.

Section 7. Litigation. No judicial or administrative proceeding shall be commenced or prosecuted by the Association unless approved by eighty percent (80%) of all the votes entitled to be cast by all of the Voting Members. This Section shall not apply, however, to (a) actions brought by the Association to enforce the provisions of this Declaration (including, without limitation, the foreclosure of liens), (b) the imposition and collection of assessments as provided in Article V hereof, (c) proceedings involving challenges to ad valorem taxation, or (d) counterclaims brought by the Association in proceedings instituted against it. This Section shall not be amended unless such amendment is made by the Developer or is approved by the percentage votes, and pursuant to the same procedures, necessary to institute proceedings as provided above.

ARTICLE XII

INFORMATION TO LENDERS AND PARCEL OWNERS

Section 1. Records Available. The Association shall make available to Parcel Owners and to lenders, and to holders, insurers, or guarantors of any first mortgage on any Parcel, current copies of this Declaration of Covenants, the Articles of Incorporation or By-Laws of the Association, other rules concerning these Properties and the books, records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances.

Section 2. Financial Statement. Any holder of a first mortgage upon a Parcel shall be entitled, upon written request, to a financial statement of the Association for the immediately preceding fiscal year.

Section 3. Notices. Upon written request to the Association by a holder, insurer, or guarantor of any mortgage of a Parcel (hereinafter referred to as "Lender"), which written request shall identify the name and address of the Lender and the Parcel number and address thereof, the Lender will be entitled to timely written notice of:

- (a) Any condemnation loss or casualty loss which affects either a material portion of the Properties, or the Parcel securing its mortgage;
- (b) Any delinquency in the payment of assessments or charges owed by an Owner of a Parcel subject to a first mortgage held by the Lender, which remains uncured for a period of sixty (60) days;
- (c) Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;
- (d) Any proposed action which would require the consent of a specified percentage of mortgage holders.

Section 4. Conflicts. As determined by Developer, there may be incorporated as part of this Declaration, and, where applicable, the Articles and By-Laws of the Association, any and all provisions which now or hereafter may be required under the regulations or guidelines of FNMA, FHLMC, GNMA, VA and FHA so as to make any first mortgage encumbering a Parcel eligible for purchase by FNMA, FHLMC or GNMA, and eligible under VA or FIIA, and such provisions shall supersede any conflicting matters contained in this Declaration, the Articles or By-Laws, except to the extent compliance with any regulation or guideline is waived by FNMA, FHLMC, GNMA, VA or FHA.

Should FNMA, FHLMC, GNMA, VA or FIIA require an amendment to this Declaration, the Articles or By-Laws, then such amendment may be made and filed by the Developer or Association without regard to any other provisions herein contained regarding amendments, and without any requirement of securing the consent of any Parcel Owner.

Further, in the event of any inconsistency between this Declaration and the Declaration of Covenants and Restrictions for Hickory Lakes Planned Parcel Development and Hickory Lakes Planned Commercial Development, the provisions of the latter mentioned document shall supersede, govern and control.

ARTICLE XIII

INSURANCE

Section 1. Parcels. Since this Association is created solely for the purpose of providing maintenance services, as herein described, there are no provisions herein as to the procuring of insurance on any Parcel. Such insurance shall be obtained by each Owner. The Association has no obligation whatsoever regarding Parcel insurance.

Section 2. Common Areas. The Association shall purchase and maintain a policy of property insurance covering all the Common Areas (except land, foundation, excavation and other items normally excluded from coverage) and any common personal property and supplies. This insurance policy shall afford, as a minimum, protection against loss or damage by fire and other perils normally covered by a standard extended coverage endorsement, as well as all other perils which are customarily covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "all risk" endorsement, where such is available. This policy shall be in an amount equal to one hundred percent (100%) of current replacement cost of the Common Areas, exclusive of land, foundation, excavation and other items normally excluded from coverage. The policies may not be cancelled or substantially modified without at least ten (10) days' prior written notice to the Association. The Association shall also obtain, if available, the following special endorsements: "Agreed Amount" and "Inflation Guard Endorsement".

Section 3. Liability Insurance. The Association shall maintain comprehensive general liability insurance coverage covering all of its maintenance activities. The coverage shall be at least for One Million Dollars (\$1,000,000.00) for bodily injury, including deaths of persons and property damage arising out of a single occurrence. Coverage shall include, without limitation, legal liability of the insured for property damage, bodily injuries and deaths of persons in connection with its maintenance activities, and legal liability arising out of lawsuits related to employment contracts of the Association. Such policies must provide that they may not be cancelled or substantially modified by any party, without at least ten (10) days' prior written notice to the Association.

Section 4. Fidelity Bonds. The Association shall maintain a blanket fidelity bond for all officers, directors, trustees and employees of the Association and all other persons handling or responsible for funds or administered by the Association. In the event the Association delegates some or all of the responsibility for

the handling of the funds to a management agent, such bonds are required for its officers, employees and agents, handling or responsible for funds of, or administered on behalf of the Association. The amount of the fidelity bond shall be based upon best business judgment and shall not be less than the estimated maximum of funds, including reserve funds, in custody of the Association or the management agent, as the case may be, at any given time during the term of each bond. However, in no event may the aggregate amount of such bonds be less than an amount equal to three months aggregate assessments on all Parcels, plus reserve funds. The fidelity bonds required herein must meet the following requirements:

- (a) Fidelity bonds shall name the Association as an obligee.
- (b) The bonds shall contain waivers by the insurers of the bonds of all defenses based upon the exclusion of persons serving without compensation from the definition of "employee", or similar terms or expressions;
- (c) The premiums on all bonds required herein for the Association (except for premiums on fidelity bonds maintained by a management agent, or its officers, employees and agents), shall be paid by the Owner's Association as a common expense;
- (d) The bond shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least ten (10) days' prior written notice to the Association.

Section 5. Directors and Officers Errors and Omissions Insurance. The Association shall maintain errors and omissions insurance for all of its past and present directors and officers, including but not limited to any officer or director appointed or elected by the Developer, which insurance shall provide coverage for any acts taken or omissions made, and further that said insurance shall at all times contain tail coverage in order that there shall never be a gap in coverage for any act or omission by any officer or Director of the Association.

Section 6. Purchase of Insurance. All insurance purchased pursuant to this Article XIII shall be purchased by the Association for the benefit of the Association, the Owners and their respective mortgagees, as their interest may appear, and shall provide for the issuance of certificates of insurance and mortgagee endorsements to Owners and any or all of the holders of institutional first mortgages. The policies shall provide that the insurer waives its rights of subrogation as to any claims against Owners and the Association, their respective servants, agents and guests. Each Owner and the Association hereby agree to waive any claim against each other and against other Owners for any loss or damage for which insurance hereunder is carried where the insurer has waived its rights of subrogation as aforesaid.

Section 7. Cost and Payment of Premiums. The Association shall pay the cost of obtaining all insurance hereunder, excluding only the insurance as may be purchased by individual Owners, and any other fees or expenses incurred which may be necessary or incidental to carry out the provisions hereof.

Section 8. Association as Agent. The Association is irrevocably appointed agent for each Owner, for each Owner of a Mortgage upon a Parcel and for each Owner of any other interest in a Parcel or the Common Area to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

Section 9. Estimates. In all instances hereunder, immediately after a casualty causing damage to the property for which the Association has the responsibility of maintenance and repair, the Association shall obtain a reliable, detailed estimate of the cost to place the damaged property in a condition as good as that before the casualty. Such cost may include professional fees and premiums for such bonds as the Board may require by any Institutional Mortgagee involved.

Section 10. Assessments. If the proceeds of insurance are not sufficient to defray the estimated costs of reconstruction, or if, at any time during reconstruction or upon completion of reconstruction, the funds for the payment of the costs of reconstruction are insufficient, assessments shall be made against the Owners in sufficient amounts to provide funds for the payment of such costs. Such assessments shall be uniform against all Owners.

Section 11. Authority of Association. In all instances herein, except when a vote of the membership of the Association is specifically required, all decisions, duties and obligations of the Association hereunder may be made by the Board. The Association and its members shall jointly and severally be bound thereby.

ARTICLE XIV

ARCHITECTURAL COMMITTEE

Section 1. Approval Necessary. No building, outbuilding, garage, fence, wall, retaining wall, or other structure of any kind shall be erected, constructed, placed or maintained on the Properties nor shall any dwelling or other improvements on each Unit, as originally constructed and provided by Developer, be altered, changed, repaired or modified unless prior to the commencement of any work thereof, two complete sets for plans and specifications therefore including, as applicable, front, side and rear elevations, and floor plans, and two plot plans indicating and fixing the exact location of such improvements, structures or such altered structure on the Unit with reference to the street and side lines thereof, shall have been first submitted in writing for approval and approved in writing by the Architectural Committee. The foregoing prior approval is intended to specifically apply to the painting of a dwelling or any other maintenance or repair which changes the exterior appearance of a dwelling or other improvements on a Unit.

Section 2. Membership to Committee. The Architectural Committee shall be appointed by the Developer. The Architectural Committee shall initially consist of three (3) members. These initial members shall be designated by the Developer. Until such time as Developer's Class B membership expires as provided in Article IV hereof, in the event of the resignation, failure, refusal or liability of any member of the Architectural Committee to act, Developer shall have the right to appoint a person to fill such vacancy, and in the event Developer fails to fill such vacancy within thirty (30) days of such occurrence, and upon the expiration of said Class B membership, the Board of Directors shall select and fill any such vacancy by appointment for a term as determined by the Board.

Section 3. Endorsement of Plans. Approval of plans, specifications and location of improvements by the Architectural Committee shall be endorsed on both sets of said plans and specifications, and one set shall forthwith be returned by the Architectural Committee to the person submitting the same. The approval of the Architectural Committee of plans or specifications submitted for approval, as herein specified, shall not be deemed to be a waiver by the Architectural Committee of the right to object to any of the features or elements embodied in such plans or specifications if and when the same features and elements are embodied in any subsequent plans and specifications submitted for approval for use on other Units.

Section 4. Construction to be in Conformance with Plans. After such plans and specifications and other data submitted have been approved by the Architectural Committee, no building, outbuilding, garage, fence, wall, retaining wall, or other improvements or structures of any kind shall be erected, constructed, placed, altered or maintained upon the Properties unless the same shall be erected, constructed or altered in conformity with the plans and specifications and plot plans theretofore approved by the Architectural Committee.

Section 5. Deemed Approval. After the expiration of one year from the date of completion of any structure or alteration, such structure or alteration shall be deemed to comply with all of the provisions of this Article XIV unless notice to the contrary shall have been recorded in the Public Records, or legal proceedings shall have been instituted to enforce such compliance.

Section 6. Right of Entry. Any agent or member of the Architectural Committee may at any reasonable time enter and inspect any building or property subject to the jurisdiction Architectural Committee and any building or structure reasonably believed by such agent or member to be a violation of the covenants, restrictions, reservations, servitudes or easements of the Declaration.

Section 7. Waiver of Liability. Neither the Architectural Committee nor any member thereof, nor its duly authorized representative, shall be liable to the Association, or to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance or non-performance of the Architectural Committee duties hereunder. The Architectural Committee shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition solely on the basis of aesthetic considerations and the benefit or detriment which would result to the Association and the Properties. The Architectural Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, or warranty as to, any plan or design from the standpoint of structural safety or conformance with building or other codes. The Architectural Committee and the Developer do not determine or assume any responsibility for the quality of construction or structural soundness of any improvements and no obligation or liability relating to construction of any improvements shall result from review or approval of any plans by the Architectural Committee and/or the Developer. Furthermore, the Architectural Committee and/or the Developer do not evaluate plans to determine whether the plans satisfy all applicable governmental requirements.

Section 8. Developer Exempt. The Developer, Units owned by Developer and improvements made by Developer shall be exempt from the application of this Article XIV and Developer therefore is not obligated to comply with the provisions hereof.

ARTICLE XV
